The screenshot shows a web application interface for a user named @Robert Zachary. The page title is "my-projects#". The navigation bar includes "Browse Projects", "Categories", and "Projects". A red arrow points to a "+ Post a New Project" button with the text "remove this button". Below the navigation, there are tabs for "All Projects", "Running", "Completed", and "Saved". The main content area is titled "Projects I've Bid On" and features a project card for "Corporate Figma Website Designer". The project description states: "We are looking for a highly skilled Figma Web Designer to create a fully custom, modern, and minimal corporate website design. This project is design-only (no development needed). Reference websites for style and aesthetic Brand assets (logo, colors, fonts) Your role will be to lead the visual direction and UX/UI design of the website, following a structured design workflow. The client requires a multi-page website with the following sections: Home About Meet the Team Co...". The project is categorized as "Funding" and has a "Fixed Price" type. It has received "2 Proposals" and was posted "1 day ago". The price range is "\$300 - \$400". There are tags for "HTML", "CSS", and "JS". A "View Details" button is located at the bottom of the project card. Below the project card, the text "Projects Awarded to Me" is partially visible.

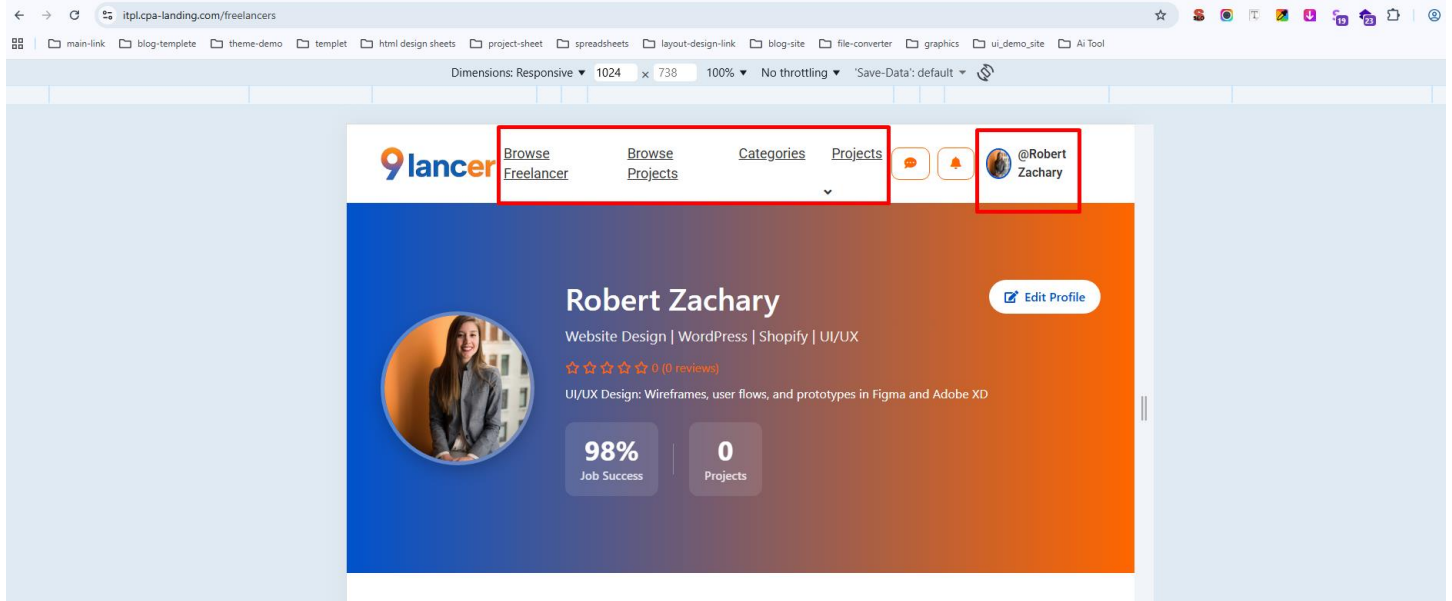

19) Table design proper all view
